

BUY 2 SAVE 3

Protect your fields with AMVAC® products and receive a \$3/acre rebate.

Simply choose a qualifying insecticide, granular or liquid, that fits the way you farm, then pair it up with Impact® or ImpactZ™ corn herbicide.

Go to buy2save3.com for more details.

The diagram illustrates the 'Buy 2 Save 3' promotion. On the left, a white rounded rectangle contains eight AMVAC product logos arranged in two columns. The top row features AZTEC HC (Higher Concentration Granules) and SMARTCHOICE HC (Higher Concentration Granules). The second row shows AZTEC 4.67G SmartBox and AZTEC 4.67G Bags. The third row includes COUNTER and Force 3G SmartBox. The bottom row displays INDEX (LIQUID AT-PLANT INSECTICIDE) and XPEDIENT PLUS. To the right of this selection is a plus sign, followed by a white rounded rectangle containing two herbicide logos: IMPACT Herbicide and IMPACTZ Herbicide. To the right of the plus sign is an equals sign, followed by the text '\$300 Per Acre REBATE'.
